To the Proper family, Our prayers and thoughts are with you all - When I went with Mark to visit your mom who I had not seen in years she said "patty I haven't seen you in a long time" it touched me that she would remember me. I pray that God will comfort each and everyone of you at this time. It's been almost three years since my mom went to be with the Lord and I don't think a day has gone by that I have not thought of her. Take care of each other - God Bless! with love - Patty Micone & family##imported-begin##Patty Micone##imported-end##

Grandma/Great Grandma, We all miss you very much! We are so thankful that we were able to spend so much time with you before you passed. I am so grateful that you taught me how to be such a strong woman and hard worker. You were able to do just about anything. I also remembered that you used to buy me stuffed animals when my mom was not looking. We will miss you so much.##imported-begin##Jay, Corina, Ashley, Lindsey and Kaitlyn##imported-end##

I am just thinking about Mom today, I can't believe it has been a week that she left us. The Nursing home called her cantankerous, and yes she was that, but so much more! She loved each of us in her special way and cherished her grandchildren and great grandchildren. I look forward to her Memorial and recognizing her for the strong dedicated woman she was. She honored Dad by caring for him and she would not have wanted it any other way. I love all of you and until we meet, take care!Love,Gail##imported-begin##B. Gail Proper##imported-end##
