Mary is a very special lady. I have known her for quite a few years. I first met her at her home when Hope had visitation to neighbors, inviting them to Hope. She was so genuine and special. She invited me in to visit even though she did not know me. Ever since that time, Mary has been gracious to everyone at Hope and was always ready to make new acquaintances. She especially liked the younger folks at Hope and was ready to talk with them and enjoy their company. She will be greatly missed.##imported-begin##Joanne Norris##imported-end##
