Daniel Joseph Snope 1926 - 2011

Dan was born to Polish immigrants Jozef and Susan Snopcynski on May 9, 1926. He was born and raised in Buckley, WA with his siblings Lucia and Leon, along with his uncle John. He proudly served his country during his enlistment in the Navy. After his service he met and married Lois Turner. They shared 64 wonderful years together. During their union they raised four sons, Larry, Dan, Ron and Matthew. Over his lifetime he loved hunting, fishing, woodworking, and spending time at Lake Goodwin, but most of all he cherished time spent with family. Dan was very proud of his Polish descent. One of his greatest highlights in life was traveling to Poland with his son Dan and meeting distant cousins. Dan always spoke modestly of his career and achievements. Over 30 years he was one of the most respected art directors in the region. During his 19 years at Cole & Weber, he served as art director, designer and illustrator, and eventually became vice president. His work with Weyerhaeuser and Boeing won him national recognition. Dan is survived by his loving wife, Lois; sons Dan (Rachel), Ron (Karen), and Matt; grandchildren Rod, Stacey, Joe, Jenn, Pam, Brent, Carson, Troy, Spencer, Alex, and Claudia, along with eleven great-grandchildren. Dan was preceded in death by son Larry, grandson Zachery, and partner-in-crime, uncle John. We will love and miss you always. Here's to you Dad-Nazdrowie. Services will be held at 2:00 PM on Friday, October 21, 2011 in the Mountain View Valley Chapel. Following the service, a reception will be held at the Sharon McGavick Student Center, Building 23 at Clover Park Technical College, 4500 Steilacoom Blvd. SW, Lakewood. Inurnment will be at Tahoma National Cemetery. Donations may be made to the Fred Hutchinson Cancer Research Center.

Arrangements by Mountain View Funeral Home.

I always had a very special place in my heart for Uncle Dan. I remember him as kind and patient. He was always politely inquisitive, truly interested in what was happening in my life. In that way, I always saw him as a selfless and modest man, so gifted and so giving in so many ways. Uncle Dan and I shared a love of the outdoors and would always talk about our successes or failures in the field in pursuit of wild game. I always looked up to him in this regard, knowing he had hunting and shooting skills that I could only aspire to have myself. I know that the quality of one's life can be measured in the positive experiences of youth brought to your children. In Uncle Dan's case, I am confident that the memories of times afield left to his boys - my cousins - will remain with them for the rest of their lives. They will find peace with the thick scrapbook of memories that remains. It's a huge aspect of his legacy. Uncle Dan was a solid guy. Fun loving. Laughing. But through faith I know where he is now. And when I see him again one day, laughing with Uncle Johnny like a couple of mischievous schoolboys, I'd like to share with him a hunting story or two to catch up. I hope for strength to Aunt Lois and his family during this time. We are thinking about you all here in Omaha. Love - Chris and Family...##imported-begin##Chris Walker and Family##imported-end##
