My thoughts are with all of you So many places in your hearts must seem so empty since she has been gone. There are many days that I am sure you find hard to carry on. Losing some one you love so much, is the hardest pain one will ever endure. A broken heart is forever as there really isn't a cure. Please remember her light will shine for all the memories she made These were her gifts to all of you and they will never fade. She now surrounds all of you with her big white wings and holds you tight She kisses you all on the cheek and still tucks you in at night. CC YOU ARE SO MISSED CC LOVE AND KISSES##imported-begin##Cheri Morey##imported-end##

CC You are a inspiration who battled your illness with enormous courage... No more pain CC ... Your new journey has now begun, Your soul is now set free..... Free to be back with Bruce, soar with the Angels and be embraced by GODS arms... There is so much for all who knew you to be thankful for as we remember you CC..... You have given so many gifts of yourself to those you shared your life with These are special gifts of memories that no one can ever take away..... Though you are gone these gifts of memories will forever remain to those to whom you have given them too..... Some of these gifts you so unselfishly shared with my daughter Sara and her family. Which I can thank you so much for As I know they are ones they will forever treasure. Know that you left your mark on this world and your love to all who knew you..... You will forever be remembered and loved GOD BLESS YOU CC Sending you hugs##imported-begin##Cheri Morey##imported-end##

Hello Aunt Dorothy. I am so sad that you are not here with us anymore, but I know that you are in a better place now, without pain. My only regret is that I didn't get to spend more time with you here on earth. One day we will see each other again. I will never forget the summer that I spent with you years ago at your home in Washington. Always something funny or exciting going on when you were around! I 'll always remember the "scream" that Uncle Bruce let out when you grabbed him by his hair to save him from falling off the back of the boat when you let me drive!! Such fun memories I have of you and my uncle Bruce. I will cherish them forever. So long for now Aunt Dorothy, enjoy your new live in heaven! I love you and will miss you dearly. Sincerely, your niece Melanie##imported-begin##Melanie Marquez (Moss)##imported-end##

Dorothy, my little sister. I loved you the day you were born and I still loved you on the day you passed on to the meeting of our ancestors in the presence of the Lord. As I told you on Sunday before your passing on Thursday... When I think of Dorothy Welch, I think of the little girl with only enough hair to use a rubber band and create a 'Palm Tree' hairdo on top of your head. You were 4 years old when I left home for the US Navy in 1959... yes I remember you, getting your way with everything... and we all loved you. I remember your big smile and curly hair as you broadcast the flower petals for my wedding in 1961. You had all my sailor buddies wrapped around your finger. Why not? You were lovely. Life was not easy for you... many things happened to you. Some things good and some things bad... some things you caused and some things were caused by others. But through it all 'you made it' through the trials of life successfully into the Kingdom of God. When I think of Bruce... You needed him as much as he needed you. You will be missed... you got a head start but I'll be there soon enough. Dorothy, again I say, little sister I love and I was proud to be your big brother Mel Moss##imported-begin##Mel##imported-end##

Grandma Cc, I love you like you are my own grandma. I always loved listening to your stories about your child hood and all your adventures. I loved how you listened to my stories and how you were always so interested in them. You were so carrying and giving, and I loved how you never cared about what other people thought about what you were doing. Every moment I spent with was precious, and I will cherish those memories for the rest of my life. I miss you grandma Cc, love Ryan##imported-begin##Ryan Olski##imported-end##

We sat beside your bedside, Our hearts were crushed and sore; We did our best to the end, 'Til we could do no more. In tears we watched you sinking, We watched you fade away; And though our hearts were breaking, We knew you could not stay. You left behind some aching hearts, That loved you most sincere; We never shall and never will Forget you CC dear.##imported-begin##Tara##imported-end##
