A million times, we've asked, "Why, God?" A million times, we've cried. A million times, we've wished them home. A million times, we've tried to hide our pain. It's hard for us, mortal beings, to understand that Our Heavenly Father loves our precious children even more than we do. Yet, He does. As incredibly difficult as this journey will be for you, I know you will survive this pain with our Lord and Savior's love. He's our primary solace for our grief. I know He understands! I thank God constantly that He loves us so much that He gave His Only Begotten Son so that we could have ETERNAL LIFE with Him, forever... Your child is not "dead". He is only "away" with Jesus. When your time here is finished and all your work is done, you shall be with your child again. Live your life with love and joy in your child's memory, let your child's life be seen through your eyes as they watch down on you and look over with the wings of the angel that God gives all children. I will always pray you find that joy and laugh again for the child God has taken so gently into his arms. Love LouAnne##imported-begin##LouAnne##imported-end##

Dear Jasmine and Ryan,I send out to you a heartfelt sympathy for your loss. It is difficult to imagine how heavy your hearts are at this time for your loss. So it is with hope that I send out these words that you may find comfort in. From reading the condolences it is certain that many prayers are being lifted in your names. So you should then take comfort in the faith that the Lord will see you through this difficult time. He will make sure that you will find the light that comes out of the darkness.Excerpt from Footprints in the Sand: . . . I noticed that during the low periods of my life, when I was suffering from anguish, sorrow or defeat, I could see only one set of footprints, so I said to the Lord,“You promised me Lord,that if I followed you, you would walk with me always. But I have noticed that during the most trying periods of my life there has only been one set of footprints in the sand. Why, when I needed you most, have you not been there for me?”The Lord replied,“The years when you have seen only one set of footprints, my child, is when I carried you.” Mary Stevenson, 1936###imported-begin###Jeff Crunkleton###imported-end###

Jasmine & Ryan, I know words can't express the fillings and emotions you are presently going threw. However I pray the below poem will strenghten and guide you on this journey. "Daddy please don't look so sad, momma please don't cry. Cause I'm in the arms of Jesus, and he sings me lullabies. Please try not to question God, don't think he is unkind. Don't think he sent me to you and then changed his mind. You see I'm a special child, I am needed up above. I'm the special gift you gave Him, a product of your love. I'll always be there with you, so watch the sky at night. Look for the brightest star and know that's my halo's brilliant light. You'll see me in the morning frost that mists your window pane. That's me in the summer showers, I'll be dancing in the rain. When you feel a gentle breeze from a gentle wind that blows. Know that it's me planting a kiss upon your nose. When you see a child playing and your heart feels a tug, Don't be sad mommy, that's just me giving your heart a hug. So Daddy don't look so sad and Momma please don't cry. I'm in the arms of Jesus and he sings me lullabies!" WE LOVE & APPRECIATE YOU FROM ALL THE YOUNG FAMILY IN CINCINNATI, OHIO"###imported-begin##Judy A. Young###imported-end##

Our precious little nephew how you will be missed and in our hearts you are forever a part. As tears fill our eyes with grief in our hearts we know that you are right there with God. You were so pure that God chose to keep you with him so with that we can be glad and know that one day we will see your beautiful face and just know that the memory of you in us can never be erased. We know with God there are no mistakes, blessed are you that walks with him. So as we dry our eyes and think of you, we can rejoice and know that you will always be with us in spirit and memory. Though we can not hold you or touch your little face we can wipe our tears and with joy know you are in the right place, to be absent of the body is to be with the Lord and even though it is hard to let you go we can rest assured because we know that you are well taken care of and blessed far beyond measure because God chose you to be there with him in heaven. You will forever be in our hearts! Love Aunt Anitra and Uncle Jason Ryan and Jasmine we know this is a difficult time but know that we love you both very much and we are always here for you whenever you need us.##imported-begin##Jason and Anitra Bearfield##imported-end##

Although my body you can't hold, it doesn't mean I'm gone. This world was worthy, not of me, God chose that I move on. I know the pain that drowns your soul, what you are forced to face. You have my word, I'll fill your arms someday we will embrace. You'll hear that it was "meant to be," God doesn't make mistakes. "But that won't soften your worst blow... or make your heart not ache. I'm watching over all you do, another child you will bear. Believe me when I say to you, that I am always there. There will come a time I promise you when you will hold my hand, stroke my face and kiss my lips, and then you'll understand. Although I never breathed your air, or gazed into your eyes... That doesn't mean I never "was." An Angel never dies... My precious little Angel, we will always know your face, in our hearts forever, you will always have a place.
