Jan, Tina, Matt and family: I found this poem, I read it now and then when I am missing Nick. Time has made our loss less painful but I still catch myself calling Austen "nick" by mistake sometimes. Love you guys, will always miss Nick. Aunt Donna
Don't Cry for me
Don't cry for me now I have died,
for I'm still here I'm by your side,
My body's gone but my soul's is here, please don't shed another tear,
I am still here I'm all around, only my body lies in the ground.
I am the snowflake that kisses your nose,
I am the frost, that nips your toes.
I am the sun ,bringing you light,
I am the star, shining so bright.
I am the rain, refreshing the earth,
I am the laughter, I am the mirth.
I am the bird, up in the sky,
I am the cloud, that's drifting by.
I am the thoughts, inside your head,
While I'm still there, I can't be dead.
