Wayne, I guess it was Gods will to take you home. The memories from the time you met Gerri and became a part of our family. There are so many memories and I have no idea where to start. I know we played MONOPOLY all day and would laugh...you would call Gerri and say come to your brothers house you and Gary can cook while Peggy and I play this game..what fun. The 4 month trip with the issues of the Fifth Wheel was so you had to stay and have time with us. The Hamburgers you loved that Sissy cooked you said were the best as you really should not have eaten them. You will be missed by us all however I know you and Gary are together and I will watch over Gerri. Janet and William in time they will be okay but the loss of a parent is so hard. Well Wayne, God Speed..Love, Sis in Law Peggy##imported-begin##Marguerite Bartles##imported-end##

Geri, Sorry I couldn't make either of the services as we had family visiting Thurs-Sunday. Wayne was a solid, dependable NCO that I would be serve/fly with anywhere, anytime. We will miss him greatly, especially with the renovation of the museum's C-130E. If I can help you in any way, please let me know.##imported-begin##Col Tom Hansen, 36th/CC##imported-end##

May GOD be with you during this time of sorrow. Wayne was a good friend of mine during our time at Bethesda. We always hung around together and did many things together. One thing that will live on is the pine trees we planted at Bethesda over by the ball field back when we were in the 6th grade. I'm sure Wayne is in Heaven looking down at us with that Wayne Currie smile. Take Care and may GOD bless you all.##imported-begin##Billy R Lightfoot Sr##imported-end##
