Rose and family...Roger was a good person and I will always remember working with him and how he was so laid back and hardly ever let anything bother him. I said it more than once through the years, how I wished I could've been more like that! Will miss you Rog.. Prayers and thoughts are with all of you at this time. You will always have your memories!! Love ya'll##imported-begin##Debbie Weihe##imported-end##

Roger was a good man and a good friend. We will miss him. We will always remember his smile and strong sense of family. And, he has a HUGE family because once you became his friend, you were part of his family! Roger taught us so much about determination, faith, hope, love, strength and above all to trust in God. We will miss him more than words can express. Rose, Charisse, William, Ben, Morgan and Angelica - our hearts ache with yours, but we know Roger would want us to celebrate his life and live ours to the fullest. We love you each one.
