“ Now that I can see the picture I know for sure that it was Alberta I worked with at the Sears store in Lakewood in 1976-77. She was a delight. Conscientious/strict let's face it with accounting rules, she did her job well. She was always helpful and full of energy. A wonderful personality I could not forget. I am sorry for the family's loss. I believe I went to lakes high with Tim Knecht.

“ I feel so blessed to have shared an afternoon with Alberta - I only know her as Berta Mae. When she came to Oklahoma with Stella and Stanley she stayed and talked with the adults, but when I visited her last summer I had her to myself. We talked, we laughed, and looked at pictures. We even talked about our family reunion adventure in Yellowstone! I will treasure that afternoon forever. I can not say thank you enough to Kim and Lori for making our special afternoon possible.
