“ Anthony you were apart of our families life for many years, there were good times and then the bad, but more good than anything, you were such a good beautiful soul, with a heart of gold, your smile and jokes, you helped take care of my mom who loved you guys like her own grandkids through her battle with cancer till the end and more till this day I appreciate you more than you know. You stayed in touch and always checked on us, also when my son passed So many people love and miss you, I know your in heaven now up there with your friend, sister, my mom and my son. Please keep a watch over your mom and dad and sisters and kids. I am still mad for not answering your call three days before, but now you're not hurting or in pain. Until my time comes, we will let a balloon go for you every year now when we do my moms.

“ Our First Grandchild

Our first time seeing you was when your Dad Brought you on the bus by himself from Chewalah, Wa. You took your first steps at our house. You were so cute. You grew into such a caring, loving, person. We were so grateful to have you in our family. Words can't express our loss of you. Were so sorry you were in so much pain. I know you are with your sister Da'Nelle in heaven and are looking down on all of us who adored you.

Rest in Peace, Our 1st. Gramdson. We'll never forget you.

Love Grandpa & Grandma Miles

“ My nephew,

I didn't know you as well as I could have, but I remember when you were born. My first nephew and such a beautiful, adorable baby. Your mom and dad let me babysit you a few times and we had such a good time. My heart goes out to your mom, dad, siblings, extended family and friends. They loved you so much and you will be missed. Rest easy. Love, Aunt Sabrina

“ This has definitely left a huge hole in the family. You had a way of keeping everyone connected and always looked out for all of us. For me, I can take comfort in the fact that you are no longer gonna have to struggle in this crappy world, you are with your baby sister, DaNelle and that the two of you are watching over us until we all meet again. I will love you always and never forget what we had together as step-mom and step-son. Imma miss hearing you say "yeah you right and aye ness wyd foo"! Thank you for allowing me the privilege to be in your life and the time we had in Vegas, darts, etc. Imma do my best to keep your dad happy and healthy but he will never be the same without you around.....look out for him. Love you Bud! Rest Easy. Love Ness
