“ Sister Walker was in my ward growing up. She always showed kindness and love toward others. I have stayed in contact with her throughout the years but lost touch when I moved out of state after getting married. I considered her my adoptive grandma. I will never forget the example she has set for me. Sending prayers to all her family

“ I enjoyed visiting her each Sunday with Gene. We would take her the sacrament and then bring her music she could sing along with (Elvis, Neal Diamond and Bing Crosby's Christmas tunes). Despite the dementia, she was able to sing along. She will be missed. Condolences from our family to the family.
