

## Farrand Green Sr

September 1, 1950 - May 20, 2018

Farrand Green, Sr. was born on September 1st, 1950 in New Orleans, Louisiana. He was raised in Tacoma, Washington since the age of four. He attended McCarver Elementary and Junior High schools, Stadium High School (class of 1968) then spent a little time at Bates Technical College and Tacoma Community College. Even as a child Farrand wanted to earn money. He picked fruit in the Puyallup valley to make money for school clothes and worked at the Hilltop Grocery store K-Way to buy his first of many cars. In 1968, Farrand voluntarily joined the Marine Corp and went off to fight in the Vietnam War. This experience would affect him for the rest of his life.

Farrand drove truck for Westcoast Grocery/Supervalu for around 30 years. After he retired, he followed his dream of becoming an owner/operator. Within a few years he discovered that not all that glitters is gold so he sold his truck and settled into retirement.

Farrand Green is preceded in death by his mother Genevieve Hilliard, his aunt and uncle that raised him Bevelyn and George Baker, his biological father Walter Wright, and his two brothers Julius James (Kandi) and Ronald Hilliard.

He is survived by his oldest son Toryono Lamonte and his wonderful wife Andrea, their two sons Sean Tremayne and Stephen Josiah and two daughters Zoe Wei and Hannah Liming, daughter Khali Meroe {Buranda Michelle (Brandy)} and her husband who gave Farrand Green thirteen grandchildren and one great-grandson, his youngest son Zeek and his amazing wife Stacey who have two children, a daughter Maizy Apple and a son Langston Union.

Farrand Green also has eight surviving siblings: Patricia Sebastian (Albert), Diane Wright, Joycelyn Knight (Anthony), Audwin Green, Finous Hilliard, Jr (Shelia), Reginald Hilliard, Sr. (Kim), Terrence Hilliard (Vantrelle), his close cousin Jacqueline West, five ex-wives and five former step-children: Gloria Price (Tory), Patty Green (Zeek and Khali), Pat Green (Marques Hairston and Nicole Douglas), Melannie Denise Cunningham (Tifannie Gibson), and Trina Green (Maurice and Terrell Little).

Dementia is a cruel and devastating disease. The last two years of Farrand's life were undoubtedly the hardest he was ever forced to endure. The family would like to thank the staff of The Cottages at Edgewood for all of the attention and comfort Farrand received over the last year and a half. We also thank his niece Lisa Rankin Faircloth for doing all she could to make sure he never forgot how special he was to her. We would especially like to thank Patty Green for spending nearly every single day with him during his time at The Cottages. Her sincere and relentless care made him feel loved until his last breath.

“ Good bye my friend Farrand, How you will be missed, My 50th Birthday June 9th was a surprise at your house..

I will always remember great time and great food and friends. We had the best conversations about everything and anything.

It makes me laugh when I think of Tacoma and pass 72nd street. Everyone says "That's Farrand Street" turn right at the light post....and almost miss the turn. The best backyard fun, food ever and great company..

We will all miss you Farrand and I will think about the FUN and Laughter at Farrand's House. In the name of the Lord you can now rest in peace.

Good bye my Friend

“ My sweet Uncle Farrand....I look at your pictures almost daily. It still seems so unreal. You were a great man. God sent me into your life, to carry the baton of love & compassion, that you deserved from everyone. Often I'm amazed at how God drew us closer and closer. I will forever cherish your conversations, and feelings about life, family and friends. Your were sad inside, your were lonely, you gave your all to everyone, and they didn't get it. The times I helped change your diapers, spoke up for your dignity & respect, driving your cars, shopping on base, long drives to gather your memory, watching tv together and attending church together. They missed the genuine heart and compassion that you bestowed. They missed the most critical times of your life.... the last years. Priorities of family and friends, closed the door on an awesome man of God (not perfect), but a good man. I'll hold you dear to heart until I see you again!

I know you're with my dad, my mom, Uncle Jim, my granddaddy George & grandma Bevin, MaTee, Uncle Julius and so many others. I know they were all so excited to see you cross over!!! Rest on..... no more empty, lonely days! I love you, as you would say "Your Favorite", niece Lisa

“ My life wouldn't be as rich as it is today if I hadn't met, worked and became friends with Farrand and his many friends and family. They and especially he gave me the strength and foundation to venture out into the unknown to start a career that has lead me to places I could have never imagined. He had lots of words of wisdom for us baby Teamsters but the most profound and life changing for me was when he said go out and try it! You can always come home. I will deeply miss knowing someone like Farrand is there to talk to when you need deep soul heart conversation.

“ You might be gone, but never forgotten! You are my brother, and my blood, and forever in my heart! I remember hearing about you in growing up, even had a fight about you with our cousin Chester, and then one day, I finally got the blessed opportunity to meet you when you were in the military! I thank God for the years that we have known each other! Sorry there wasn't enough time to spend together, but then again, love has no limits on time! Eternally loved! “ I have the fondest memories of my brother Zeek. I thank the Lord for allowing me to spend countless of hours in his presence. I admired his tenacity in pursuing his goals and keeping his life in perspective. I loved his humble, kind, and kindred spirit. His willingness to help anyone who was in need emanated throughout his lifetime.

I am proud to have been your sister, Farrand. Although we lived miles apart, I always felt like I had seen you every day whenever we came together. I will forever miss, "hello my sister" !!! God has called you home, and although it seems like it's too soon, I know God is always right on time! Rest In Peace, my brother! I love and miss you forever more!! Thank you for being my brother

“ Being a Truckdriver, we talked about driving. He use to make extra money driving trucks down I-90 Hill for drivers who was afraid to try and make it down the long Hill. I miss Him. My prayers go out to the Family. May He RIP.
