

## James R. "Jimmy" Burch II

January 10, 1971 - September 26, 2017

James Robert Burch II "Jimmy", a resident of Lakewood went to be with the lord on September 26, 2017, at the age of 46 after a tragic motorcycle accident. He was born in Tokyo, Japan on January 10, 1971 to James R. Burch Sr. and Ocie Haskins. During his life, Jimmy enjoyed many activities and things. He was an avid lover of motorcycles, cars, tattoos, music (especially Country), and gambling on slot machines at his favorite casino, BJ's in Fife. He enjoyed a good Slurpee, along with ice cream, Butterfingers, Rainier beer, and McDonald's. For those that knew him, knew these were staples for him. He loved his family and friends and would always be there to help in a time of need. He was a generous, caring, hard-working and loyal man. Jimmy recently went to work for JK Monarch, as a general contractor of residential construction. Jimmy enjoyed his job and loved staying busy with it. The one thing that brought Jimmy the most pleasure was riding his Ninja motorcycle. He was so excited when he purchased it this summer and he enjoyed many rides before his life was taken. Jimmy's life was taken too soon and those that were closest to him will love and miss him forever. Jimmy is survived by his Father Jim Burch, brother Greg Wheeler, sons Kyle and Zachary, daughters Lindsey, Taylor, and Alyssa. Jimmy also had two beloved grandchildren, Lily and Macey. Jimmy is also survived by his girlfriend, Sarah Jensen, along with her three children, Nicholas, Lucy, and Jensen, all of whom meant the world to him. He was preceded in death by his Mother, Ocie Haskins in 2001. A celebration of life to honor Jimmy will take place in the Sockeye room in the Emerald Queen Casino conference center separate from the main casino in Fife, on Saturday, October 7th from 1:00pm-4:00pm.

“ I have thought long about what to write here. I am at a loss really. You were my entire world Jimmy. For the past 2 years, we fought for our relationship. You used to say, "Man, can't we just get a break?" After our talk Monday, we both thought that break had finally arrived. It was our time to move forward. We had so many plans. We had so many good times and we had our time this summer. I told you Tuesday before you left me that I wouldn't trade you for anything or anyone. I meant that. I don't know how to move on but I am sure you will help me in some way. You brought so much to my life these past 9 months. So much laughter, so many memories, and so many long talks about what we wanted for us. You brought so much to Nick, Lucy, and Jensen too. They love you and they are heartbroken. We will all miss you so much. We have decided to finish the block you painted for all of us to decorate. We will put it in the yard, just like we planned. I don't know why you were taken from me, but you told me recently that you were going to spend the rest of your life with me and well, you did. I will love you for the rest of mine Jimmy Burch. You were the love of my life and there will never be a man that will compare to you. I will miss you and love you every single day for the rest of my life. Until I see you again, my sweet man.

“ We have known each other for a long time and I've always been friends. You always make me laugh you always had a smile on your face you are always easy to get along with at least with me. I haven't seen you for a while but I talk to you a few months ago. You will truly be missed by a lot of people I was surprised when I heard you were gone. Rest in peace.

“ Fifteen years old walking through the Lakewood Mall parking lot who would've thought I would stumble on the one person who would completely change my life and turn it upside down. So many ups and downs and good and bad times with you Jimmy. But throughout it all I always cared and thought of you and would just hope and pray you were doing good. Jimmy you will be extremely missed by all who cared and loved you. I hope you are at peace and hanging with your mama. Rest In Peace Jimmy

“ I love you, Dad. You have no idea how much you will be missed, or how hard this is for all of us to handle. You may have lived a life that most wouldn't agree with, but we still loved you and supported you through it all. You're going to be greatly missed. I love you. Rest in Paradise
