“ So sorry to hear of your passing. So many memories of us when we were kids growing up. We all were close as cousins. You and I shared the same name of our Grandma. The times As young women when we went dancing at The Red Roof. Rest in heaven with all our loved ones especially your mom. Love you cousin.

“ Jeanette was such a treasure at Alaska gardens, where she lived the last couple years of her life. She had a wit and what I call a sass to her that brightened my day everyday. She was my favorite patient there. Always greeting me upon getting to work with a smile and a request for coffee:). She has already been greatly missed by her caregivers and other residents. I'm just grateful I got to be a part of her life.

“ Thank you for taking care of my mother. She was sassy but had a good heart. Believe me I know. The one thing I can tell you that if my mom only had 1 dollar and you needed it she would give it to you. We were poor growing up but tried to make the best of it. My fondest memories were my brother and I making mom laugh during commercials with our stupid comedy sketches. I will never forget the time she surprised us with bikes for Christmas. To this day I have no idea how she got them (probably Uncle George) but it was like winning the lottery. She was so happy when she saw us freak out. She was dealt a short hand at life but tried her best to make the most out of it. Thank you to all of the staff that made her feel like a queen in last years. She truly deserved it after everything she went through.

“ My dearest Sister, you brought me joy to see how far you had come in the last 3 years with your confidence and how happy you were with the new friends at your home at Alaska Gardens. You are now amongst the Angels, with Mom, Auntie Liz, Uncle Jack and Aunt Minnie, and so many others in Heaven. I can't express the love I have for you and will always carry you in my heart. I miss your calls every day and how your face would light up when Jan and I came to see you. Rest in peace, dear Sis. I love you. Your big brother, George

“ Thank you so much Aunt Retha. I miss the early days spending time with you. I will never forget when that bully Billy got aggressive with Belinda and I kicked his butt. I was so scared coming home from school that day but you and Mom were proud. I still have a scar on my hand lol. Anyways a lot of fond memories of you your family and mine. You and Aunt Debbie always had her back. I will never forget that.
