“ I have just learned of John's passing, and want to send my sympathy to his family and dearest friends at such a tragic time. I too worked with John for many years at Tacoma General. He was such a wonderful mentor to me in so many ways. His kindness, patience and readiness to help were the hallmarks of his professional personality. I will treasure his memory always.

“ I worked with John at MultiCare and I will miss hearing his voice calling me on the phone with an order that he needs to place. Even though I couldn't see his face when he called I could hear that smile in his voice. I will miss that caring and kind heart of the man. I don't know how many times just hearing his voice or seeing his face here at work just made the day so much brighter. Thank you John for the confidence you had in me and letting each and everyone that you touched know that they mattered!! You will be missed tremendously.

“ John will be missed by all of us who worked with him at MultiCare Health System. He was genuine, straightforward and always professional, and managed to maintain a great sense of humor against all odds!

“ John, You were my friend for twenty years. I've worked along side of you and lastly under you. We have laughed and cried together. It has been a long journey for us both and yours ended much too soon. I feel blessed to have been called your friend. You had a huge heart and always tried to make everyone happy. You will be missed by many. I feel there's one more star up in the sky tonight!
