“ I just learned the sad news. You and I had alot of fun back in the day. We go back to 32 years at age 15. I will always cherish going to Skate King, Fort Lewis to the movies, the guys we met and double dated and most of all...you being a bridesmaid in my wedding. I remember us going to the comedy club in our early 20's and I kept asking you whats wrong, why are you shaking like that. You said it was time to go to the doctors and you called me with the sad news. Well, the doctor was obvious wrong on how long you had to live. God had the final say. You lived 20 plus more years. My last memory of seeing you when I flew in from Houston and came to see you at the nursing home in Puyallup is one I'll always be grateful for. Spending that time with you again was like the old days with the laughs we shared. I love you dear friend. Rest easy, RIP.

“ Cousin Larelle you will forever be missed and love. There are so many memories that we have together that I will always cherish. I wish your sister wouldn't have kept you from us and I pray she does right by you as your wishes. Tell Grandma and my mom hello for me as you are now at peace Love you very much.
