“ Thinking of you dad. It's been one heck of a two months. So much has happened, it is overwhelming. Today I thought to myself how you would have handled this government order to shelter in place due to the COVID-19 Virus... with how much of a busy body you were, boy that would have been a struggle! I love you and miss you.

“ Mike, I'm extremely lucky to have had you in my life. We've known each other for a lot of years. All the running around we did together at Hudtloff and Lakes High with Mark, Ralph and Roy. Those were some fun early days. We reconnected after the turn of the century and we both had families. Our camping trips to Westport showed what a loving father you are to your 2 beautiful daughters and dedicated Papa to Logan. You used your skills as a professional contractor to build and remodel our home and buildings. You have always been hardworking, kind, loving, ready with a smile and a laugh. Most of my text messages from you say "Where's Rich?" Well, I'm right here brother, thinking of you, remembering you, keeping your memories alive. You will be missed but never forgotten....

“ The Wilsons were our neighbors for many years. Mike and his brothers grew up with our kids, Mark, Tim and Kelly Johnson. We did so many things together as families during those years. Camping , Holidays, Sunday dinners, Mike and our boys were pretty tight and hung out together. We spent many July 4ths together. Their grandparents and our kids grandparents (my parents and Judy's parents) all lived on Lake Louise. I have many sweet memories of those great days. I feel really bad that we lost touch after they moved from Nixon Ave. it's a shame. I am totally shocked over Mike's passing. I pray that Judy, Sam and the rest of Mike's family in time can find peace and comfort in good memories of Mike. God bless you all.
