“ I looked forward to seeing Pat every time we visited your side of the mountains. She always had warm heart and words of welcome. A genuine smile. Pat took such an interest in those she knew. Her concern for mom was such a value to us. We knew friends were watching out for her.

Ed, you and Pat are part of our many memories, of friends from St. John Bosco, and those times on Alva Ave when you would stop by. Fond memories we have, which are only a drop in the bucket of all the memories your family has. May these memories bring you consolation.

Our prayers and love are for you and your family. Perpetual light may now shine upon Pat. God Bless you.

“ Ed. There are no words that can heal your sorrow. May Pat live on in your fondest memories of all the wonderful years you shared together. Her sudden illness and untimely passing is a reminder to us how precious life is. We have such wonderful memories of what a kind and good hearted lady she was. You and your family are in our prayers for comfort in your time of healing from the loss of your beautiful wife, and mother of your children. Pat will be missed and remembered by many.

We are in Arizona till spring, but want you to know we are thinking of you and your family.

“ What a very, very sad piece of news to start out 2018 to hear about our dear, one-of-a-kind friend's passing. Since 1973 when stationed in Tacoma, Pat's kindness and hospitality made us feel immediately at home in the northwest; to this day, that tour--thanks to Pat, and of course Ed, too-- remains a highlight of 30 years in the Army. Pat was selfless to the extreme, never stopping to rest but ready to help others in need. Now may she find peace in heaven where a loving God welcomes her--now she can pray for us!
