“ Bob and I played softball with Kathy and Ralph in the mid 70's. One day at practice, Kathy was boasting to Bob that she had just had a turkey sandwich at her moms, because she knew how much he loved roasted turkey sandwiches. We were right across the street in the school ball field. After the practice, Bob walked right up to Bert's door and explained that Kathy had said her mom would make him a sandwich! Bert said "Sure, come on in." Mind you, we had never met, and I was sooo embarrassed. Bob and Bert has a special friendship from that day. We will miss her.

“ I first met Bert at my wedding day in 1955. She was a easy person to know. I remember and cherish the times we lived in Tacoma and she and Louie would come to our house to play double deck pinochle she and I against our husbands. I never learned how to count cards but Bert always laugh because somehow we won the majority of the time. She was generous with everyone she met and had a kind heart for animals. How ever she would scare me to death when I rode with her. It's hard to lose those you have loved for so many years, I am glad we will all meet again. Love to each of her precious family my heart goes out to you. Betty M. Wyckoff

“ I bowled with Bert and her sister Dar for years and attended Manitou Park Church with her. Missed when they stopped bowling. I loved it when they would come and cheer on their old team, One time I made sure they had pom poms to cheer us on! Never a dull moment with her, the laughs were endless. She will be missed, now she is in the arms of her dear Lord and her husband Louie. Clarissa & Steve Kloser

“ My family has known the Smith family for many years . I got to know Bert by going to Manitou Park Church. Later after growing up my mom and I bowled with Bert. After my mom decided not to continue, we eventually got her sister Dar to bowl with us. We had a great time together. I found out that Bert belonged to a pinochle group. She asked if I would sub one time .I enjoyed every time I went. After a few years they asked for me to join, I have had many enjoyable years riding with Dar and Bert playing cards. Bert love going to

play pinochle even up to last few months. I must say when you play against her you better bid up high she doesn't like to give up the bid. Bert has shared so many stories about her family, her daughters, her granddaughters, and her great grandchildren. I will miss her , but I know she is with Louie . r.i.p. . Bert.
