Many of the packages are designed to provide a complete funeral ceremony, including both the professional services and the necessary merchandise.

OUR PAYMENT POLICY

To lose someone you love can be a devastating experience. It is frequently traumatic and can seriously impact judgment. We believe in the importance of the recognition and meaningful celebration of a life that has been lived and will assist in arranging an appropriate service to meet your individual needs. It is also important to be realistic in respect to funeral expenditures. We do not want a family to spend more than they should, nor less than they would like. What is important is that the arrangements be in keeping with the family's wishes and budget.

Provisions for payment are due at the time of the arrangement conference. To avoid any possibility of misunderstanding or embarrassment and for your convenience, we accept the following methods of payment: money order, cashier's check, personal check, credit or debit card, insurance assignments of verifiable life insurance policies, payment by forwarding or receiving funeral homes or pre-paid funeral plan. Please consult your funeral director or advisor with any and all questions or concerns.

PREPLANNING ASSISTANCE

We provide free assistance and consultations with end-of-life planning. When you choose to preplan, you lock in today's prices and relieve your loved ones from the financial and emotional burden of making difficult decisions and paying for services at the time of need.

However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

The only warranties, expressed or implied, granted in connection with goods sold with a funeral service are expressed written warranties, if any, extended by the manufacturers. GRIEF SUPPORT SERVICES

Mountain View Funeral Home has been offering Grief Support to the community since 1989. We believe very strongly in aftercare following the death of a loved one. We dedicate ourselves to helping people endure the pain of grief by providing a safe, supportive environment where folks can come and share their sorrows with others in the same situation. The aftercare program for the bereaved is available to the community at no cost. You need not to have been a client of Mountain View to take advantage of these services. The centerpiece of Mountain View's Grief Support Services are the Grief Support Groups that meet to assist individuals and families through mutual support and grief education as they journey toward healing. Whether you feel the need for a single session or a to be part of a multi-step program, there are options.
